

The application **Mutina** for iPad, already approved by Apple, is now available on iTunes Store and can be free downloaded. It contains news about the Mutina's world, the awarded prizes, the press releases, the profiles of the designers who cooperate with us and the catalogues of the new collections presented at Cersaie 2010. To start the download from iTunes Store write "Mutina" into the "search" field or from the web go to: <http://itunes.apple.com/app/mutina/id395134220?mt=8>
